SUP chief stresses fair polls, strict accountability to end corruption

Public mobilisation campaign launched for Nov 14 rally of Tehreek Tahaffuz-i-Aeen Pakistan

Dawn Report

LARKANA: Sindh United Party (SUP) President Syed Zain Shah has said that free and fair elections in the country are vital to put the country on the right path. He also stressed a strict across the board accountability of the corrupt.

"Punishment for guilty of corruption should be death penalty as is in practice in China," he said while addressing party workers and journalists in Waleed town of Larkana district on Friday night.

Mr Shah's visit is part of SUP's mass contract campaign, launched to mobilise people for the Nov 14 rally at the Hyderabad Bypass planned by the opposition Tehreek Tahaffuz-i-Aaeen Pakistan.

He regretted that accountability process against major parties was stopped "on political grounds".

Mr Shah described PPP's campaign against deportation of illegal Afghan immigrants as "nothing but a deceptive show", arguing that the federal government itself was not serious in deporting them.

"Through fraudulent elections, hand-picked individuals have been brought to power and the accountability process was wrapped up. These individuals have handed over national assets to plunderers," he alleged, and observed that the PPP, PML-N, MQM-P, and their allies have formed an 'artificial hybrid government'.

He claimed that the country's borders were insecure while armed conflicts and terrorism persisted within the country.

Zain Shah believed that Pakistan was being unnecessarily dragged into the Middle East conflict, which would get the country no benefits.

According to him, the assemblies are ineffective because no entity — government, parliament or institutions — is accountable for weak foreign policy and flawed natural resource management. The reason is the 'fake system', hence, a transparent system must be introduced through biometric and electronic voting machines (EVMs).

The SUP chief noted that Sindh's education and health sectors were collapsing and needed to be reformed.

He said that free and fair elections and strict accountability were essential to rid the country of most ills. "China's development lies in its accountability system where the corrupt is sentenced to death," he said, adding that Pakistan should also go for it in order to root out corruption.

He told the audience that the Tehreek Tahaffuz-i-Aaeen Pakistan has formed an opposition alliance comprising Pakistan Tehreek-i-Insaf, Pakhtunkhwa Milli Awami Party, Sindh United Party, Balochistan National Party, Majlis Wahdatul Muslimeen, Sunni Ittehad Council and others, with more parties expected to join it.

Sharjeel directs officials to immediately resolve people's issues

Dawn Report

HYDERABAD: Sindh Senior Minister Sharjeel Inam Memon has said that the provincial government can effectively implement its policies only through the trust and cooperation of people.

He was speaking to the people of his constituency at Rawal House, Rahuki, Tando Jam, where he heard the issues being faced by them.

After listening attentively to their grievances and problems, he issued on the spot instructions to the officials concerned for immediate resolution of their issues.

He said he was fully aware of these issues and was continuously working to resolve them.

He said he would remain in close contact with them to ensure that every issue was addressed at the grassroots level.

The minister said that Pakistan Peoples Party was founded through the power of people, and with the same strength, it would continue to serve Sindh.

He said the Sindh government considered serving people as 'an act of worship', and pointed out that the PPP leadership had always stood by people.

Sharjeel Memon stated that the Sindh government believed in selfless service to people and made their welfare its top priority. He added that PPP's mission had always been public welfare, development and common man's prosperity.

He held out the assurance that the government would never abandon people in difficult times — whether during natural disasters, economic hardships or social challenges — and that it would extend all possible assistance to them.

"PPP's objective is not power, but public service; with this spirit, development projects are being carried out across the province," he said.

A large number of local PPP leaders and workers, as well as other citizens, attended the gathering.

Progress on Ghotki-Kandhkot bridge construction reviewed

KARACHI: Sindh Chief Minister Syed Murad Ali Shah has presided over a meeting to review the progress of the Ghotki-Kandhkot Bridge project, which is one of the province's significant infrastructure developments connecting the provinces of Sindh, Punjab and Balochistan.

The meeting was attended by Senior Minister Sharjeel Inam Memon, Special Assistant to CM Syed Qasim Naveed Qamar, Chief Secretary Asif Hyder Shah, Principal Secretary to CM Agha Wasif, Secretary Finance Fayaz Jatoi, Secretary Works Nawaz Sohoo, Secretary Transport Asad Zamin, Professor Dr Sarosh Lodhi and other officials.

During the meeting, the chief minister said that so far, he had held five meetings on the Ghotki-Kandhkot Bridge and was personally monitoring its progress. "Technically, the working window for construction spans from November to June, when the river water remains low," he said, emphasising that the work must continue rapidly during this period.

"I want to see accelerated progress from November to June so that by Nov-Dec 2026, the bridge stands completed to some extent," the CM directed.

Briefing the chief minister, the works department informed that top-class engineers have been hired for the project and that the contractor has deployed a full team at the site to expedite work. Out of 723 piles required for the 12.15 km-long bridge, 379 have already been installed, while the remaining 353 will be completed and girders placed by December this year.—Dawn Report
